

OUR MISSION

- To provide practical subject matter promoting the ability for invention, resourcefulness and ultimately innovation.
- To promote science interest and engagement through challenging and mind-stretching tasks.
- To provide a platform for understanding and development of algorithms and applications in emerging computing trends.

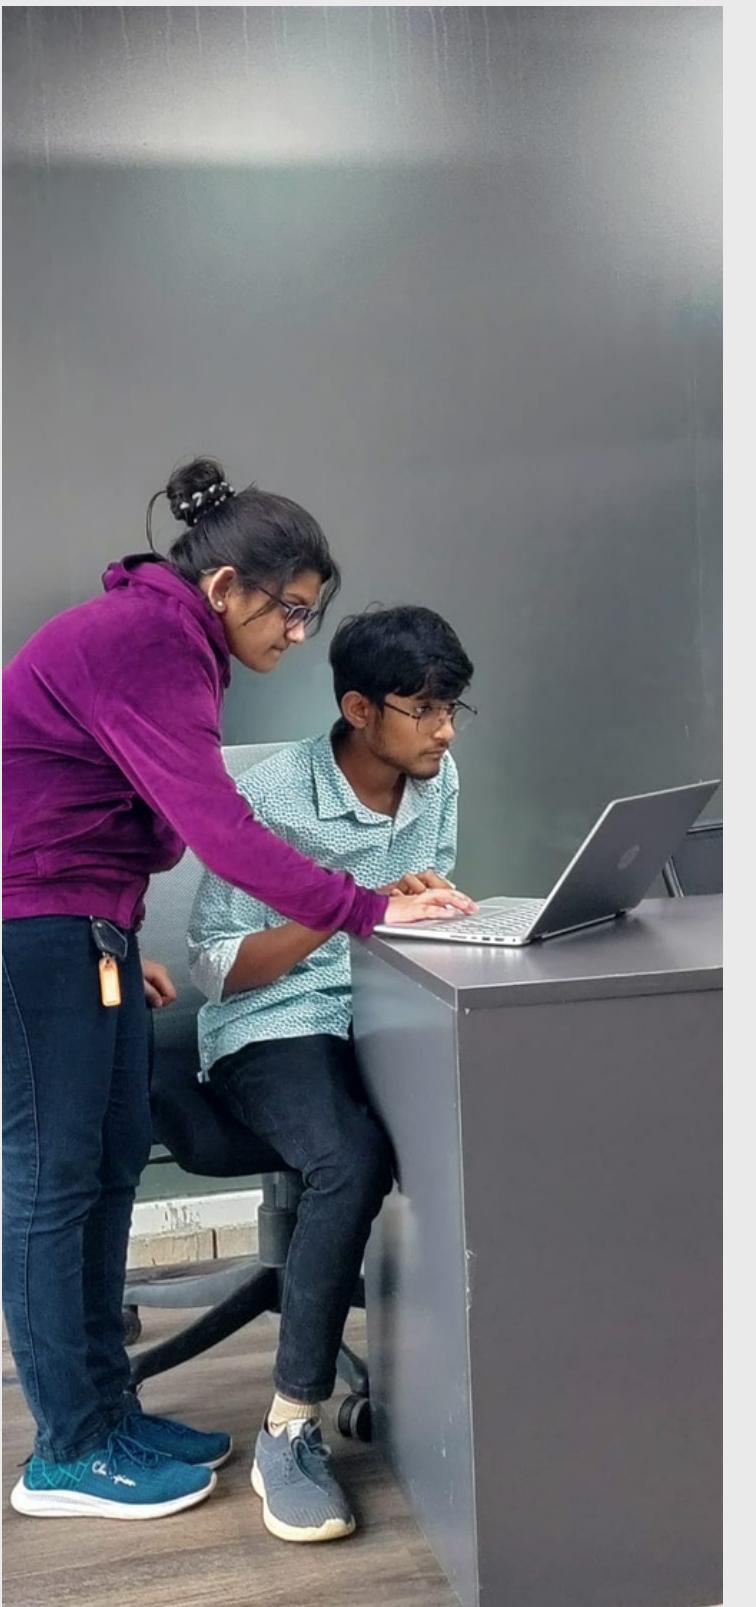

OUR VISION

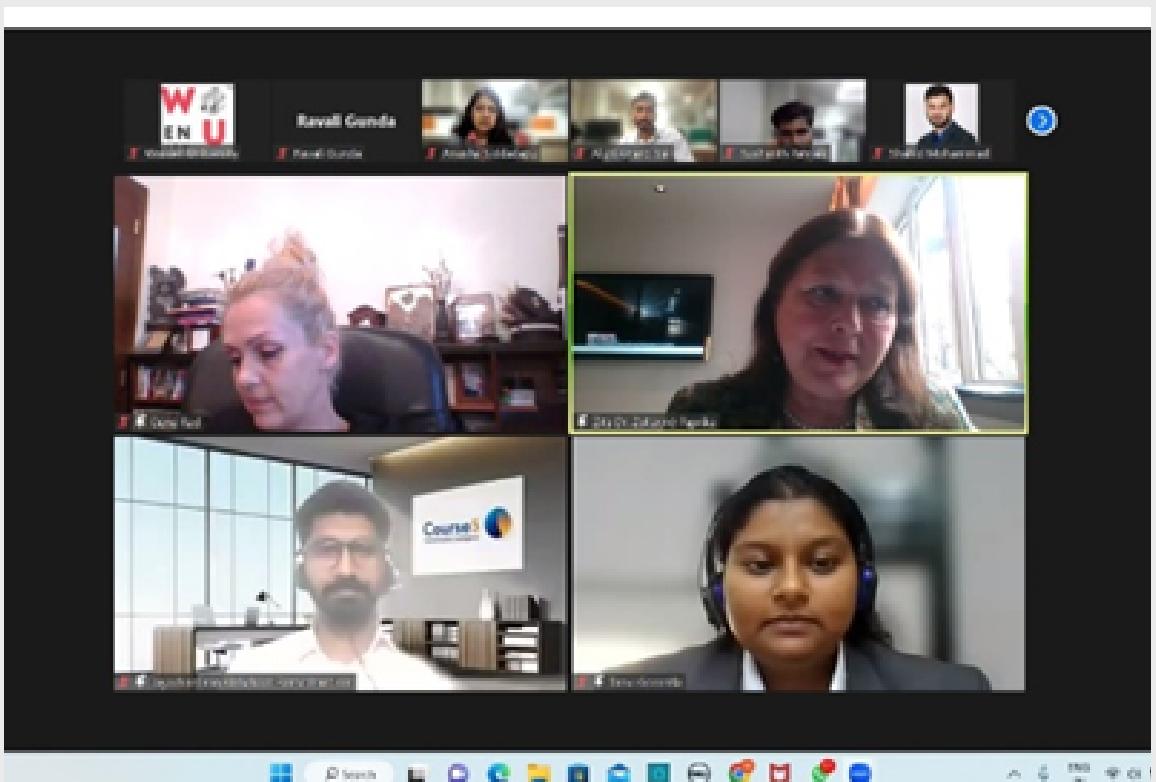

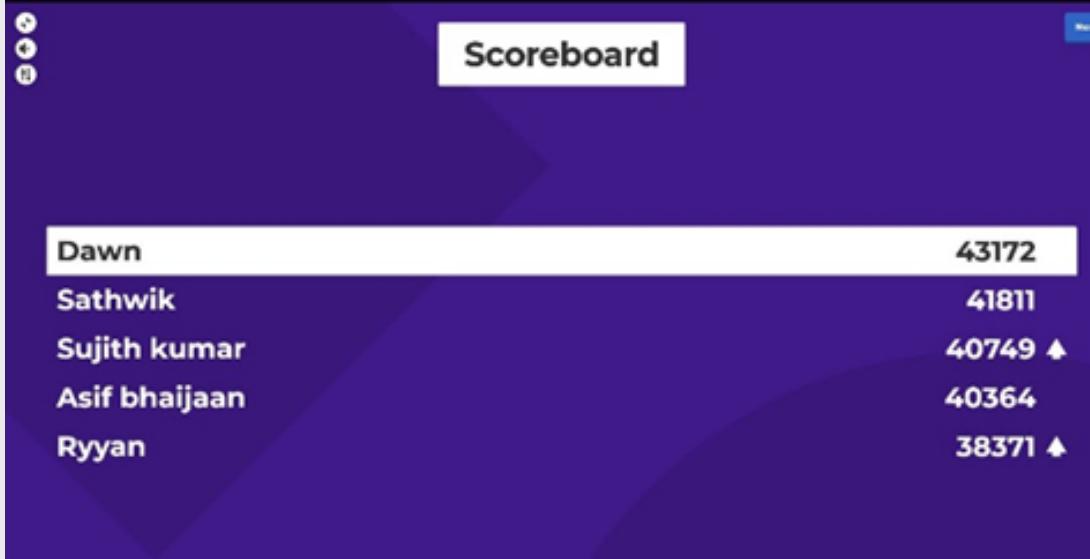

- Spreading the awareness of cohort study regarding principles and practices that are the foundation of understanding how technology and engineering support each other and how they work.
- Technology club enables an individual to build a successful career in tech by sharing knowledge, providing meaningful and relevant opportunities and gaining access to a wide network in the industry.

2021

2022

2023

The banner features the year '2023' in large, bold, black brushstroke letters at the top. Below it is a dark rectangular area containing logos for 'Woxsen Technology Club', 'COE Centre of Excellence', 'Student Council', and 'WOXSEN UNIVERSITY'. The main title 'RESEARCH SHOWCASE COMPETITION' is displayed in large, gold-colored, serif capital letters. Below the title is the tagline 'WHERE GREAT IDEAS MEET EXPERT EVALUATION' in a smaller, white, sans-serif font. A horizontal line separates this from the competition details. The first section, 'Round 1: Pitching ideas to the Panelists', is dated '20th February 2023'. The second section, 'Round 2: Presentation of your Research to the Executive Fellows', is dated '22nd February 2023'. At the bottom left is a QR code, and at the bottom right is the 'INFINITY' logo.
